I would like to begin this Log by talking about our Memorial Mass on March 3rd 2013 in Riverhead. In the past few weeks, our Honor Guards have been called out to several wake services. Sadly, this translates into the loss of our Sir Knights. The Memorial Mass is for these Sir Knights and their loved ones. Worthy Grand Knights as we have been asking you, please make every effort to get your Ads in for the Journal. Please call Sir Knight Rich DiStefano @ 631-790-1821 with any questions or concern you may have. Thank you Worthy Sirs.

Sir Knight Ronald Doda, on behalf of the members of the Assembly I would like to express our thanks to you and your Council at St. Phillip and James for hosting our January meeting and the for the re-pass. Also, to Southampton Council, thank you Sirs for coordinating the trip to St. Patrick's Cathedral for the Pro-Life Mass with Cardinal Dolan. It was a very humbling experience for me I will always remember sharing this day with you my Brother Sir Knights

Our Worthy Master Greg Warnokowski has requested that we promote the Exemplification on April 21st in Astoria Queens. Please contact our Worthy Comptroller SK Vincent Rutherford or myself if you have any candidates that would like to take their Fourth Degree. Please stress to the members what an honor and privilege it is to take this Patriotic Degree Thank you.

Congratulations to our Knight of the Month SK Vincent Rutherford. It is certainly a pleasure working with you. Thanks to all those who came out to volunteer at the Vets Home in Stony Brook and Northport. Sir Knights, I would like to appeal to more you to please come out to help at the Vets Home. It is a couple of hours once a month. It is the least we could do for our Vets.

As we head into the month of February, I would like to remind you that we will be marking our 50th year in the John J Shea Assembly. We will celebrate our Golden Jubilee in September. Congratulations to all of you. I am very proud and honored to be a member of this Assembly and look forward to celebrating with you.

Patriotism Report

Recently, I was picked for jury duty. This is one of the most important, yet not always appreciated duties as citizens of our nation, our state and our county.

This meant that I had to go through a metal detector every day for a whole week. It also meant I had to leave my cell phone behind in the car every day. Now some of you may not have gotten into the “smart” phone thing, but for those who have, you know that you are constantly looking at that phone all the time, either with email or for looking something up, if only the weather.

Therefore, I was smart phone free for most of the week. It made a great trial run for Lent.

Jurors are considered “judges of the facts.” They are strongly advised not to jump to all the conclusions until all the facts in a case are presented. They are strongly warned not to discuss the case (or in other words outside of a trial situation to spread rumors) until everything is settled.

These words of wisdom apply to everyone in their day-to-day life experiences. How often do we leap to hasty conclusions based on incomplete evidence that turns out to be false and incorrect? How often do we spread rumor and gossip and, in so doing, cause harm to others? How often do we forget the lessons we have been taught?

Sir Knight Christopher Beattie
